Current and Pending Support Instructions

Current and Pending Support
Current and Pending Support is a cycle-specific document required for all budgets. **If the grant has a different Science PI and Admin PI, the information is required for the Science PI only.** There is no standard format for this document as long as the following information is included. • Funding Source • Amount Awarded • Number of Months of investigator Salary • Project Period • Project Title If the investigator already has a Current and Pending Support document in STGMS for the cycle, the document will be automatically attached. Click on the link to view the PDF. If the investigator must create a new Current and Pending Support document, click Create Current & Pending Document, select the corresponding cycle and attach the PDF.

Is there a required template for the current and pending support document?

There is no required template for the current and pending support information; however, your document, which must be uploaded as a PDF in STGMS, should include:

- Title of award
- Name of the PI
- Program name and sponsoring agency or organization
- Performance period
- Total budget
- Details about the commitment of the PI or Co-I, including how many months per person per year, for each year
